Vehicle Overview

With the breath-taking 2012 MINI John Cooper Works Coupe, driving is no longer routine, its a powerful experience. Powered by a turbocharged 1.6l engine along with the smooth clutch of this two door makes the impression of driving on the race track.

The JCW model has an upgraded performance suspension and JCW body components. According to Road Show by cnet.com, "Every Mini bearing the JCW badge has delivered first-class performance and this JCW Coupe is no exception." The Mini Connected system brings Web-connected services and Pandora to the 2012 Mini Cooper Coupe John Cooper Works' dashboard via iPhone.

Luxury is an asset with its leather interior and its sharp color way, making it the stand out car. Performance is among the best in class and the Coupe's quirky styling attracts much positive attention. Come test drive this Mini and cruise the highway while listening to the Harmon Kardon premium audio system. You will not leave without it!
